GENERAL INFORMATION

READ THIS!

BCEC is the most strict and challenging facility in the country. **DO NOT TRY TO CIRCUMNAVIGATE THE RULES, PROCEDURES, OR POLICIES PUT IN PLACE.** These regulations may not make sense to you, but they are in place for many reasons that you are not aware of. Doing things your way will only cause problems for yourself, the show, and will delay progress! Things will be different this year. Some things will be better and some things will be more challenging. Please be patient as we grow and improve your overall experience!

Please check-in at the show office. You will also get your booth assignments at this time along with show credentials and parking instructions. For pre-ordering purposes please use your company name on all forms in place of your booth number.

TEAR DOWN POLICY

We all have somewhere to be this time year

With that said this show closes at 4:00pm.

10 x 10 Vendor Booths-

At 3:00pm you will be allowed to stage vehicles in the blue areas. You will not be allowed to stage vehicles in this area until 3:00pm

We stop selling tickets at 3:00pm and at that time and only at that time are you allowed to dismantle your booth and begin taking stuff to your vehicles. You are only allowed to hand carry items to your vehicles until 4:30 pm, when the roll up door opens at dock 41-42

If you begin to dismantle your booth before 3:00pm, you will not be allowed to come back to this show and or any others events that I hold- EVER!

RV DEALERS-

You will be allowed to begin dismantling your display at 3:00pm. No RV's, Trucks, or Vehicles will be allowed to move until 4:30, when dock 61 and dock 41-41 open. At that point RV's will be allowed to be removed and placed back in designated staging lot.

These are not an unreasonable request, and I appreciate your full cooperation.
