Payment can be made by mailing a check or calling to provide credit card information. If payment is not received prior to the deadline, then the 'Order After Deadline' rate will be applied and payment will be requested before the show start. If payment is not received at this point, you may not receive electrical services. IF YOU DO NOT REQUEST POWER BEFORE THE ORDER DEADLINE DATE NOTED ABOVE, WE MAY NOT BE ABLE TO PROVIDE YOU WITH SERVICE, THEREFORE WE STRONGLY URGE YOU TO ORDER AND PAY PRIOR TO THE DEADLINE DATE. IF WE ARE ABLE TO ACCOMMODATE A REQUEST PAST THE DEADLINE DATE, YOU WILL BE CHARGED THE 'REQUESTED AFTER DEADLINE' RATE.			

PLEASE FILL OUT EACH SECTION IMPORTANT CONDITIONS AND REGULATIONS

1. Wall, column, and permanent building utility outlets are not a part of booth space and are not to be used by exhibitors unless specified otherwise.
2. All equipment regardless of source of power must comply with all federal, state and local safety codes.
3. Use of open clip sockets, latex or lamp cord wire, duplex or triplex attachments plugs in exhibits prohibited.
4. Claims will not be considered unless filed by exhibitor prior to close of exposition.
5. Prices base upon currents wage rates and are subject to change without notice.
6. Under no circumstances shall anyone other than "house electrician" make electrical connections.
7. Special equipment requiring company engineers or technicians for assembly, servicing, preparatory work and operation may be executed without "house electrician", however, all service connections and overload protection to such equipment must be made by "house electricians" only.
8. All equipment must be properly tagged and wired with complete information as to type of current, voltage, phase, cycle, horsepower, etc.
9. All material and equipment furnished by Convention Center for this service order shall remain the Convention Center's property and shall be removed ONLY by the Convention Center at the close of the show.
10. Electrical power for lights and displays will be turned on one hour prior to show opening time and off at show closing time daily.
11. Unless otherwise directed, Convention Center electricians are authorized to cut floor coverings to permit installation of service.
12. All exhibitor's cords must be of the 3 wire grounded type. All expose non-current carrying metal parts of fixed equipment, which are liable to be energized, shall be grounded.
13. Rates quoted for all connections cover only the bringing of service to the booth in the most convenient manner and do not include connecting equipment or special wiring.
